Origin: Western Cape

Farm

Location: Wellington, South Africa

Altitude: 150m above sea level

Distance

from sea: ± 75km (± 121 miles)

Winemakers: Bob Lynde & Theunis van Zyl

Style of wine: Spumante Style

Red Wine with Natural Flavor added.

Vinification: This bubbly beverage is a blend of fresh red wine (no barrel maturation) with Berry and Vanilla extracts. The luscious berry flavors and the hint of sweet vanilla, is the perfect combination for this outstanding Spumante style of wine, and makes for the ideal summer spritzer, or any season alternative to a delicious, refreshing aperitif.

Winemaker`s

notes: A lovely blend of a small amount of crisp white wine, mostly from the “*Hanepoot Grape*” (*Muscat d’ Alexandrie*), but mainly from early-ripening red wine varieties with red-berry and vanilla extract. This makes for a refreshing aperitif in summer. Being low in alcohol and only 6% carbs, it can be enjoyed all the time.

Wine

Analysis: Alcohol 5,5 % : Residual sugar 34 g/l

Serving

Suggestion: Serve chilled, it makes for the ideal partner to any occasion. Lovely as an aperitif or enjoy with salads, light meat dishes, fresh fruit or dessert. Or simply sip while relaxing with friends.
